

Marko Vidovic-Turina

Logistics & Warehouse Operations Specialist

Location: Rotterdam, Netherlands

Phone: (+31) 0681516968

Email: g4row-offsec@outlook.com

Nationality: Croatian

Strategic thinker in logistics with 7+ years of experience in supply chain operations at leading industry companies (Rhenus, GXO, Syncreon, RMS, Toll). Skilled in combining practical floor management with digital process optimization and custom Web/Excel tools. Looking for an environment that encourages work-life integration and operational innovation.

WORK EXPERIENCE

INVENTORY COORDINATOR — RMS

01/12/2025 – Present | Rotterdam, NL

- Designed and implemented inventory strategies (ABC & FIFO), resulting in 30% higher stock accuracy and 20% faster picking times.
- Developed comprehensive training materials and coached new employees on operational standards and safety procedures.
- Collaborated closely with purchasing, sales, and operations teams to streamline inventory throughput.

OPERATIONS MANAGER — Obscale / Purenadh Research

01/06/2025 – 01/12/2025 | Online, NL

- Sourced and selected suitable logistics partners across Western Europe for streamlined distribution.
- Managed commercial customer support, sales analysis, and annual sales planning for next-year forecasting.
- Prepared social media content and managed influencer marketing strategy to improve brand awareness.

WAREHOUSE SPECIALIST — Toll

01/08/2024 – 01/11/2025 | Rotterdam, NL

- Created custom Excel and HTML digital tools for inbound processes, achieving 40% faster put-away times.
- Optimized warehouse picking paths, reducing average transit time between lines by 30 seconds to 2 minutes.
- Coached warehouse staff on ABC classification standards, safety protocols, and daily efficiency tactics.

SELECTED LOGISTICS SOLUTION & WEB DEVELOPMENT PROJECT

- Custom Warehouse Management Web App:** Developed a multilingual web application serving as an intuitive visual interface for complex Excel data models, eliminating spreadsheet friction for floor staff.
- Floor Operations Streamlining:** Built digital forms with trilingual support (English, Dutch, Croatian) for easy floor execution across picking, packing, put-away, space management, and stock allocation.

WAREHOUSE WORKER — Various Warehouses

01/11/2019 – 31/05/2025 | Netherlands

- Gained deep hands-on expertise in Agile & Waterfall project methodologies, 5S principles, and daily operations.
- Implemented team reward initiatives focused on motivation and collaboration, resulting in higher stock accuracy.

WORK EXPERIENCE (CONTINUED)

CHIEF DE PARTIE — Restaurants across Europe31/12/2014 – 31/12/2018 | Europe

- Pursued a professional career break in culinary arts, managing high-volume kitchen operations, inventory control, and fast-paced team coordination across multiple European cities.

STORE MANAGER — Retail Store01/05/2008 – 31/12/2012 | Croatia

- Tracked and analyzed retail sales data to guide commercial decision-making and inventory replenishment.
- Organized store layout based on consumer behavior principles to maximize product visibility and boost sales.

VOLUNTEERING & COMMUNITY INVOLVEMENT

OPERATIONAL & EVENT ASSISTANT — Non-Profit Life-Coaching & NLP08/2026 – Present | Amsterdam, NL

Org

- Content & Topic Preparation:** Process and structure scheduled daily workshop themes, training materials, and session agendas for Life-Coaching & NLP events.
- Guest Welcoming & Briefings:** Reception of international participants, delivering concise introductory overviews of daily topics and detailing next steps for engagement.
- Administrative Logistics:** Manage guest registration, venue setup, and daily administrative logistics to ensure smooth organizational operations.
